

MARYVALE PRIVATE HOSPITAL VISITOR RESTRICTIONS

Please note:

In line the recent recommendations from Victorian Department of Health and Human Services as of midnight 28/09/2020 Maryvale Private Hospital has implemented the following visitor restrictions to ensure the safety of our patients and staff.

All Visitors

- **All visitors** to the hospital must be **signed in and signed out** at the front Reception desk.
- **All visitors** must complete the COVID-19 questionnaire
- **All visitors** must undergo a temperature check
- **Any visitor** with a temperature above 37.5 degrees or refusal to have their temperature taken will exclude them from entering the hospital.
- **All visitors >18 MUST** wear a face mask.

Visitors of Inpatients

- **Maximum one visitor per inpatient** for two hours only.
- Visiting hours are now strictly **3pm to 6pm.**

Child (under 18 years of age) Day Patient Visitors

- One support person per child can stay with the child but must remain in the patients allocated bed cubicle.

Please be kind to our Reception staff who are enforcing these restrictions in the best interests of our already vulnerable patients and valuable staff.
