Presented by Dr Tim Cheung – Respiratory & Sleep Disorders Specialist

Mr Timothy Cheung

Is a respiratory and sleep disorders specialist. He had experience in the diagnosis and management of a broad range of lung and sleep conditions including asthma, chronic obstructive pulmonary disease (COPD), lung cancer, pulmonary fibrosis, lung nodules, and sleep apnoea. Tim completed a Bachelor of Pharmacy with honours prior to embarking on his medical career. After graduating from medical school at the University of Queensland, he went on to complete specialist training in Respiratory and Sleep medicine at the Monash Health and further his expertise in Sleep Medicine. His areas of interests are in the multidisciplinary care of patients with chronic lung disease. Tim has a public appointment at Monash Health as a Respiratory specialist and is accredited at the Cabrini, Epworth, Healthscope and Maryvale Private Hospital.
