Doctor Profile

Dr. Suheb Ahmed
MBBS, FRANZCO

Ophthalmologist

Biography

Dr. Suheb Ahmed is an 'Eye Surgeon' or ophthalmologist who completed his undergraduate and specialist training from Scotland. At Maryvale Private Hospital he specialises in Cataract surgery, Pterygium and Glaucoma management. He offers the latest in cataract surgery techniques and the latest in intraocular lenses. You can trust his experience as a high volume surgeon with more than 10,000 cataract procedures performed, and an exceptional safety record.

Suheb also offers the latest in minimally invasive glaucoma procedures (MIGS) and was the first in Gippsland to offer these services. Maryvale Hospital was also the first hospital to offer MIGS procedures.

This is part of the commitment of Maryvale Private Hospital, to offer the best and latest treatments to local patients without needing to travel far. Dr. Ahmed continues to invest in the latest technology to ensure his patients receive the best care possible.

Where suitable, Dr. Ahmed offers :
- No needle anaesthesia if required
- No Pain – Numbing anaesthetic drops
- No Sutures – Keyhole surgery

Dr. Ahmed is committed to public service and is the head of department at Northern Health, a major health provider in Melbourne. He is passionate about improving access to care both in Australia and in the developing world. He has introduced and expanded numerous services around Victoria and is working on projects further afield.

He is committed to the service of his Gippsland patients consulting and operating at Maryvale Private Hospital as well as offering public surgery at Neerim Health and Bairnsdale Regional Health Service.
