Doctor Highlight

Dr Arif Kozgar General Paediatrician

MBBS, FRACP

Dr Arif Kozgar is part of our Medical services, he is a general paediatrician with an unwavering commitment to providing the best possible care to his patients. Arif received his Fellowship in general paediatrics from the Royal Australasian College of Physicians after completing his training at the renowned Children's Hospital of Westmead in Sydney. In 2018, Arif brought his expertise and passion for paediatric care to regional Victoria, where he has served as a consultant paediatrician at Latrobe Regional Health (LRH). But his contributions to the field doesn't stop there - he is also an associate fellow of the Royal College of Administrators and a Senior Clinical Lecturer at Monash University.

Arif's commitment to evidence-based care and innovative practices is a driving force evident in his work at LRH.

Achievements

- Fellowship in general paediatrics from the Royal Australasian College of Physicians
- Completed training at Children's Hospital of Westmead, Sydney
- Senior Clinical Lecturer at Monash University
