# Doctor Highlight

## Mr Fahmi Jalil Neurosurgeon

MBBS, BMedSc, FRACS

Mr Fahmi Jalil is part of our Medical services and is an Australian trained neurosurgeon providing care in inner Melbourne, Ballarat and Gippsland. He has completed further training in Canada and the United States to refine his surgical techniques in minimally invasive and endoscopic spine surgery. Mr Jalil completed the first uniportal endoscopic spine surgery and the first endoscopic posterior cervical foraminotomy in Victoria and is one of the most experienced endoscopic spine surgeons in Australia.

He consults and operates in the public and private sectors. Mr Jalil also sees Workcover and TAC patients.

## Achievements

- Obtained medical degree from University of Melbourne in 2010
- Undertook neurosurgical training at several major hospitals in Melbourne and Sydney
- Upon being awarded his fellowship from the Royal Australasian College of Surgeons, the University of Toronto granted Fahmi a subspecialty training position in complex spine surgery as part of a joint Neurosurgery and Orthopaedic program at St Michael's Hospital, Toronto, Canada
