Doctor Highlight

Mr Rez Rahim Spinal and Orthopaedic Surgeon

MD, FRACS, FAOrthA

Mr Rez Rahim is part of our Surgical services, a highly trained Spinal and Orthopaedic surgeon dedicated to delivering exceptional, compassionate care to his patients. With a strong emphasis on building warm, collaborative relationships, Rez ensures that patients and their primary care providers are well informed throughout their treatment journey. His commitment to empathy and open communication fosters an environment where patients feel supported and engaged in their own care.

Living in Berwick with his wife and two sons, Rez is deeply connected to the community he serves. His multilingual skills - fluent in Russian, Sinhalese, and basic Malay - allow him to effectively communicate with a diverse range of patients.

Achievements

Attained fellowships in the following:

- Minimally invasive spine surgery as well as hip and knee replacements (Melbourne)
- Complex spine and tumor surgery (Awarded OA spinal fellowship)(Budapest)
- Neurosurgical spinal/intradural conditions (Seoul)
