Doctor Highlight

Dr Barton Jennings Respiratory & Sleep Medicine

MBBS, FRACP, MMed

Dr Barton Jennings is part of our Medical services, he is a specialist in Lung Disease and Sleep Disorders.

Barton is inspired to help as many people as possible to maximise their quality of life through achieving healthy lungs and sound sleep. At school and university, Barton always had a desire to help other people. Breathing and good quality sleep can sometimes be taken for granted but when there is a problem it causes significant distress. Barton feels so grateful to be able to help people who may have disease affecting their lungs, breathing and sleep.

Barton has a special interest and expertise in the investigation of lung lesions and the management of patients with lung cancer. He performs bronchoscopy and endobronchial ultrasound (EBUS) at Monash, Cabrini and Epworth Hospitals.

Achievements

- Director of Lung Cancer and Bronchoscopy at Monash Health
- Chairs the Lung Cancer Multidisciplinary Team Meeting

Dr Jennings graduated from Medicine at Monash University in 2002. His specialist training was completed at Monash Medical Centre and Royal Melbourne Hospital. During his training, he took time to gain further experience in cardiology research in Oxford, UK. Fellowship of the Royal Australasian College of Physicians was gained in 2010. In 2011, Barton completed a clinical fellowship in Interventional Pulmonology and Lung Cancer management at Sir Charles Gairdner Hospital in Perth. He completed his Masters of Medicine in Clinical Epidemiology at the University of Sydney in 2012 and is active in clinical research.

Barton lives in Melbourne with his wife Leah. They were married in Metung, Victoria which remains a special place to them. They have two terrific young boys who keep them busy and highly entertained. Barton loves sport and is a keen tennis player and golfer. He also loves to watch cricket and footy at the MCG and barracks for the Demons.

Specialties

- Investigation of lung lesions
- Management of patients with lung cancer
