Doctor Highlight

Dr Haider Najjar Gynaecologist/Obstetrician

MBChB FRANZCOG

Dr Haider Najjar is part of our Women's Health and Surgery services, an Obstetrician and Gynaecologist who graduated in Medicine in 1992. He completed Obstetrics and Gynaecology training at Monash Medical Centre where he also went on to complete a Fellowship in advanced Laparoscopic and Minimally Invasive surgery. During his time training at Monash, Haider received the Young Scientists Award from the International Menopause Society for his research in Premature Menopause. Dr Najjar was also awarded the Travelling Fellowship by the Australian Gynaecology Endoscopic Society for his work conducting laparoscopic training workshops for registrars.

Dr Najjar's particular niche of clinical interest is Fertility Surgery and complex laparoscopic procedures, especially those utilising single incision laparoscopic surgery (SILS) and also robotic surgery. He is the pioneer of SILS procedures in Australia and internationally.

As the co-founder of Create Health and Create Fertility, he understands the complexities of infertility and provides an individualised approach to his care and management for his patients. His major forte of expertise in surgical management of infertility includes advanced laparoscopic surgery and

management of endometriosis and fibroids. Dr Najjar has worked in the Monash Health service for over 20 years and has been a consultant for the last 15 years. His private practice is based at Mount Waverley, but he also consults from Malvern, Berwick and Maryvale Private Hospital.

Specialties

- Fertility surgery
- Complex laparoscopic procedures

Achievements

- University lecturer for Monash University in the Women's and Children's Health Program at Monash Medical Centre
- Executive Board Member and Preceding Treasurer of Australasian Gynaecology Endoscopic Society
