Anamitra's training, with over thirty years of surgical experience has enabled him to obtain a wide exposure to every aspect of general surgery and its related sub-specialties.

This experience has been gained in India as well as the UK, Ireland and Australia. In addition to the extensive experience he has had in gastrointestinal surgery, he has also had training in biliary, endocrine, vascular, paediatric and urological surgery. In addition, he has extensive experience in endoscopy and performs a high volume of colonoscopy and gastroscopies along with polypectomies and procedures for colorectal and gastric haemorrhage. Listed below are some of the surgical operations he routinely performs in his regular workload.

Specialties

- Gastrointestinal
- Hepatobiliary
- Endocrine Surgery
- Endoscopy
- General Surgery
- Vascular
