Doctor Highlight

Mr David Scott Bariatric and General Surgeon

MBBS, FRACS

Mr David Scott is part of our Surgery and Weight Loss Surgery services. After graduating from Monash Medical School, Mr Scott completed advanced surgical training with the Royal Australian College of Surgeons in Melbourne. He also undertook a year of specialist colorectal and breast surgical training in England.

Upon completion of his formal training, Mr Scott became a Consultant General Surgeon, and now provides a full range of general surgical and bariatric surgical services in Central, West and South Gippsland.

Mr Scott has an interest in advanced laparoscopic surgical practice, which was enhanced in the first few years of his consultancy working at Lap Surgery Australia, performing laparoscopic gastric banding and other obesity operations, endoscopic hernia repair and colorectal surgery.

Achievements

- Completed advanced surgical training with the Royal Australian College of Surgeons.
- Undertook specialist colorectal and breast surgical training in England.
