Ilan is an international instructor for Anterior Hip Replacement, and was the first surgeon to bring Anterior Approach Total Hip Replacement to Gippsland.

Ilan is also the first surgeon to offer individualised 3D-printed Total Knee Replacement in Regional Victoria. Unlike conventional off-the-shelf implants, these new implants are specifically designed and made for each patient's unique anatomy.

Ilan is pleased to offer the very latest orthopaedic technologies to local patients at Maryvale Private Hospital. He consults locally in Warragul and has regular operating sessions at Maryvale Private Hospital.

Specialties

- Minimally Invasive Anterior Hip Replacement
- Customised 3D Printed Partial and Total Knee Replacement
- Rapid recovery hip and knee procedures
- Hip and knee arthroscopy
