Doctor Highlight

Mr Malcolm Thomas Orthopaedic Surgeon

MBBS FRACS (Ortho)

Mr Malcolm Thomas is part of our Surgery services, an Orthopaedic Surgeon with over 30 years experience. Malcolm has been working in Gippsland since 1994, operating at Maryvale Private Hospital, Latrobe Regional Health, and West Gippsland Hospitals. More recently, Malcolm also attends Central Gippsland Hospital.

Malcolm treats both adult and paediatric patients for elective and trauma surgeries. Malcolm's interests include complex hip, knee, shoulder, foot and ankle procedures.

Malcolm graduated from Monash University with Honours in 1983, completing his residency at Prince Henry's Hospital Melbourne. He completed specialist Orthopaedic training at The Royal Melbourne, Royal Hobart, Box Hill and The Austin Hospitals. Malcolm undertook further fellowships in foot and ankle surgery in Baltimore, USA in 1992, and at The Cleveland Clinic, Cleveland Ohio, USA in 1993.

Achievements

- Completed specialist Orthopaedic training at The Royal Melbourne, Royal Hobart, Box Hill and The Austin Hospitals
- Received an Outstanding Teaching Award from Victorian branch of Australian Orthopaedic Association

Malcolm continues to expand his knowledge by regularly attending conferences, both domestically and internationally. Whenever possible, he also visits the operating rooms of renowned surgeons from around the world, including the USA, Northern Ireland and France.

Malcolm is involved with the Board of Examiners in Orthopaedics, which includes examining trainee doctors to become fully qualified surgeons under the auspices of the Royal Australasian College of Surgeons. Malcolm has a passion for teaching junior doctors, and in 2019 received an Outstanding Teaching Award from the Victorian branch of Australian Orthopaedic Association.

Malcolm's personal interests include family, marathon running, travel, reading and cooking. He also loves spending time with his pet dog, Sebastian.

Specialties

- Robotic assisted surgical technology
- Shoulder, foot, ankle, hip and knee replacement
