## Mr Shekib Shahbaz Urologist

MBBS (Hons), Dip Surg Anat,  
FRACS (Urol)

Mr Shekib Shahbaz is part of our Men's Health and Surgery services. He is an Australian-trained Urologist and current supervisor of urology training at Monash Health. Shekib grew up in Southeast Melbourne and graduated from school at the top of his year. He gained entry to Monash University Medical School with two scholarships and completed his undergraduate medical degree with Honors. He spent the next four years at The Royal Melbourne Hospital for basic surgical training. During this time, he completed a diploma in surgical anatomy at The University of Melbourne whilst tutoring as an anatomy demonstrator.

Shekib completed four years of advanced urological training in New South Wales before returning to Monash Health in Melbourne for a further fellowship year, and subsequently remained as a consultant urologist at Monash Health. He has undertaken further sub-specialty training in numerous centres of excellence across Europe, the United States and Asia.

Shekib is actively involved in teaching, research and ongoing personal professional development. He has widely travelled and has lived in numerous countries.
