# Doctor Highlight

**Dr Sophy Korula**

**Paediatric Endocrinologist and Paediatrician**

MBBS (Hons), Dip Child Health,  
MD Paediatrics (Hons), MRCPCH (UK), FRACP

Dr Sophy Korula is part of our Medical services, a Paediatric Endocrinologist and Paediatrician whose main aim is to provide compassionate care with clinical excellence to the children of this regional area.

Sophy completed her medical training at a large tertiary care centre called CMC Vellore in South India and completed her fellowship in Paediatric Endocrinology and Diabetes at the prestigious Children's Hospital at Westmead in Sydney. For the last 15 years, Sophy has worked as a Paediatric specialist and most recently at Latrobe Regional Health where she has held public appointment for the last 3 years.

As well as being actively involved in medical education, Sophy has also authored a number of research publications.

Sophy has a strong focus on caring for the needs of children with Paediatric endocrine disorders and diabetes. Sophy also has immense experience in developmental and complex behavioral disorders and is keen to provide holistic treatment for children with those concerns. She has a good relationship with some of the service providers in this field within Gippsland. She has also been involved with the care of other medical problems in children, such as infant care, asthma and eczema.
